

REMARKS

In the action of October 4, 2011, the examiner objected to the Abstract; rejected claims 1-9 under 35 U.S.C. 112, second paragraph; and rejected claims 31-33 under 35 U.S.C. 103 as unpatentable over Wiegner *et al.* The examiner allowed claims 10-18 and 23-27, which is gratefully acknowledged.

In response, applicant includes a new Abstract, which is submitted on a separate sheet with no other verbiage, as requested.

Applicant has further amended claim 1 to clarify that the composition is not intended to be claimed. Further, applicant has cancelled claims 5-8.

Claims 31-35 have also been cancelled.

In view of the above, allowance of the application is respectfully requested.

The Commissioner is authorized to charge any deficiency or credit any overpayment to Deposit Account 14-1270.

Respectfully submitted,

JENSEN & PUNTIGAM, P.S.
